October 1st, 2009 . S. Julião da Barra Fortress

18:00 h Cocktail in a powerfull place

Fortress from the XVI century, built by King D. João III. It was one of the most powerfull and important defensive systems on the Lisbon coast, being considered the "Reign's Shield". Today it is the biggest and most complete militar defense complex made in the Vauban style.

When the fortress lost its defensive functions, it was adjust to the government members receptions and a local where important people stayed, like Eisenhower (1951) and Montgomery (1952), II World War heroes.

Since then the fortress has been subjected to consolidation and restoration events.

Nowadays, it is the official residence of the Minister for National Defense.

Will be available transfer to S. Julião da Barra Fortress and back to Estoril Congress Center
